

Urgent Notice

SASCA 1ST YEAR ANNIVERSARY

SASCA celebrates the 1st Anniversary of its launch as a professional body, on 19 November 2020. A highlight of the anniversary celebrations, will be the awarding of designations to numbers of its members by the SASCA Board. The awarding of designations is one of the functions of a professional body, and we are finally able to verify numbers of coaches who applied for designations even before SASCA became a professional body.

Looking back on the year, the SASCA Board appreciates your commitment, and your support, as we undertook the task of setting up the professional body, within the mandate given by SASCOC when it established SASCA at its General Council Meeting on 8 June 2019. SASCA has worked hard, despite some difficult times, to design, develop and build its systems, policies and processes, which we know will create a strong foundation on which to build.

It has also been a year in which the vision of a professional body to build the coaching cohort at all levels in South Africa remained a key underpinning focus of the work that the SASCA board undertook. Your ongoing involvement and patience has been our strength.

The SASCA 1 year anniversary will be celebrated virtually on the 19th of November 2020 and will host only a limited number of “seats” for the day. Please be on the lookout for your invitation in the next few days.

Thank you in partnership with SASCA.
